PRINCIPAL'S MESSAGE...

Welcome to 2022! As I reflect on the first part of the school year I am filled with pride. Your children have done an amazing job being resilient and kind learners. They have handled the changes involved in going to school during a pandemic exceptionally well. They are truly remarkable children, and we are so fortunate to have them with us at Nicholas Sheran. Of course, none of this would be possible without our dedicated staff who have shown themselves to be flexible and adaptable and committed to providing the best education for your children. We are so lucky to have our Nicholas Sheran staff members!

We are also grateful for you, our Nicholas Sheran families who have supported us through multiple changes and trusted us to educate your children despite a constantly changing pandemic. We are disappointed to be starting our year with uncertainty of programming for our students. Our staff is working hard to prepare for both scenarios, in school and at-home learning. Even as I write this note plans may change one way or the other as our Government makes their decision. We are hopeful to see our students soon face-to-face!

I would like to take a moment for some thank-you notes: Thank you to our Music Teacher- Mr. Sheedy for his work in preparing our Digital Winter Concert! I hope you enjoyed watching your children and their classmates. It certainly brought that magical feeling of the season home for us. Thank you to our Parent Council for treating us so well during the month of December. Your treats made our days brighter.

We look forward to an exciting new year and are thankful to all of you for being a part of our journey. Please know that even though we can't have you in the building at this time you can contact us at any time by phone or email. Take care and be well!

Looking forward to the new year, think of some goals and hopes you wish to work towards. Bell Let's Talk Day is Wednesday January 26th ...

As we are still working through the Pandemic, many Canadians are feeling the impact on their mental health. Now more than ever, mental health matters and every action can make a difference. On Bell Let's Talk Day, Bell will donate 5¢ to mental health initiatives, for every text, call, tweet or TikTok video using #BellLetsTalk, social media video view and by using our Facebook frame or Snapchat lens. Let's all connect to those we care about and help these valuable resources at the same time!

We are excited to be working with one of our Community Partners, Big Brother and Big Sisters Lethbridge and District to offer some after school groups in the new year. We hope to be running Go Girls! And Game On! In the upcoming months. Referral for students will be through classroom teachers and the Administrative/Wellness teams. If you would like any information on these groups, go to <https://lethbridge.bigbrothersbigsisters.ca/> for more information. Please contact Jen Robinson if you think this would be a good fit for your child.

2022/23 EEP Registration...An Expression of Interest process will take place from Feb. 7-18 for school-location preferences. A link to the Expression of Interest form will be available on the School Division website very soon, and can be completed electronically. This Expression of Interest period is designed for first-year EEP students. A lottery will be held to determine placement, and families will be notified by March 11 regarding their placement outcome. EEP registration for returning students will take place from Jan. 24 to Feb. 4.

National Ribbon Skirt Day

SENATE OF CANADA: BILL S-227

An Act respecting a National Ribbon Skirt Day

This enactment designates the 4th day of January in each and every year as “National Ribbon Skirt Day”.

Whereas Indigenous women are life-givers and are entrusted with traditional knowledge to care for their families, their communities and the environment;

Whereas the ribbon skirt is a centuries-old spiritual symbol of womanhood, identity, adaptation and survival and is a way for women to honour themselves and their culture;

Whereas the ribbon skirt represents a direct connection to Mother Earth and its sacred medicines;

Whereas Indigenous culture, tradition and ceremony, including Indigenous ties to language and the land, are critical to the vitality and well-being of Canada’s First Peoples;

Whereas section 1 of Article 15 of the United Nations Declaration on the Rights of Indigenous Peoples, to which Canada is a signatory, states, “Indigenous peoples have the right to the dignity and diversity of their cultures, traditions, histories and aspirations which shall be appropriately reflected in education and public information”;

Whereas Call for Justice 2.1 of the Final Report of the National Inquiry into Missing and Murdered Indigenous Women and Girls calls “upon all governments to acknowledge, recognize, and protect the rights of Indigenous Peoples to their cultures and languages as inherent rights, and constitutionally protected as such under section 35 of the Constitution [Act, 1982]”;

And whereas Call for Justice 15.2 of that report calls on Canadians to “[d]ecolonize by learning the true history of Canada ... and learn about and celebrate Indigenous Peoples’ history, cultures, pride, and diversity”;
