

Welcome to Senior Choir!

Senior choir is for students in Grades 3, 4 & 5. Students will get the opportunity to learn new music, further develop their singing technique, and perform in various settings. Here are some things that you will need to know before joining choir:

1. Practices will be on **Thursdays** before school from **8:00 – 8:40** in the music room. Our first practice will be before school on Thursday, September 29th.
2. Mrs. Britton or Mr. Sheedy will open the front school doors at 7:55 for choir students.
3. Students must be able to commit to attending each rehearsal, so that they have enough time to learn the music.
4. Once the first morning bell rings at 8:40, students will be dismissed to go directly to their homeroom class for the beginning of the school day.

We have an exciting year of choir ahead of us, including field trips to sing with the Lethbridge Symphony, to perform at the Lethbridge Music Festival and to share our music with the residents of AgeCare Columbia. We will also end the choir year with a pizza party to celebrate all the dedication and hard work that goes into joining choir.

We hope to have you sing with us this year and please do not hesitate to email if you have any questions about joining choir!

Mr. Owen Sheedy
