

Nicholas Sheran News

Principal's Message

Dear Families of Nicholas Sheran,

Oki and welcome to a new month, with a countdown to the spring-like weather we are all so looking forward to! There are several exciting things coming up soon in our school and around our community, so please read through this entire newsletter, and keep checking your email, for all the updates!

We are looking ahead to the 2025/2026 school year, and we are working on our staffing profile as well as teacher and support staff hiring for the future. Thank you so much to all our families for completing their student registration early. If you require any support with this, please call the school office at 403-381-1244, or send an email to Mrs. Miklos. You could even stop by the office to see us!

Before the break we thanked our student musicians by hosting a pizza party for the extracurricular choir and handbells students; thank you for an incredible year of music, everyone. We appreciate the support of our parents and our dedicated staff who make this programming successful each year. Another highlight from the past month was seeing the creativity and invention from our students during their Marble Run Makerspace unit – they had so much fun testing and revisiting their designs. Looking forward into the month of May, we hope to see you at our upcoming Spring Concerts that will be hosted here at the school.

Please reach out
with any questions!

Take care,
-Aaron Fitchett,
Principal

May Wellness....

Mental Health Week and Hats On!

Every year CMHA dedicates a week in May to raise the awareness of Mental Health. This year Mental Health Week will run May 5-9, and Hats On! for Mental Health Day will take place on May 7. Albertans are invited to wear a hat to raise awareness of the importance of good mental health. Participating schools will relax their hat rules and encourage students and teachers to build understanding by wearing hats to school. Students will also participate in a coordinated lesson on understanding mental health and the importance of removing the stigma associated with mental illnesses. For more info: <https://teachers.ab.ca/advocacy/campaigns/can-we-talk>

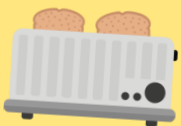

NS Breakfast Program

Our school is the recipient of important funding for a school nutrition program. This funding, along with the support of families, community agencies and partnerships, allows us to run a breakfast program, snack program, and supplemental lunch program.

Our breakfast program will operate five days/week and students will be able to choose from a variety of prepared and ready to serve items. Our goal is to provide a low-barrier, and high-access nutritious start to our students' academic day! Any student may access breakfast or other food as needed throughout the day, and our thanks are extended to the Alberta School Nutrition grant alongside individual donations and community partners.

If you have any questions, please reach out!

We are always accepting donations (nut free food products or cash/cheque/online donations).

Council Corner

School Council offers an opportunity for parents to get involved in your child's education by volunteering in a school-wide activity or helping out in the classroom. Your involvement will help to ensure the best possible school experience for your child (ren).

Meetings are held on the third Tuesday of every month. The next meeting will be held on **Tuesday, May 27th at 6:30pm.** Please feel free to join as all parents and guardians are welcome!

We also have a Facebook page! Follow us on FB @ **Nicholas Sheran Parent Council**
